PLEASE BRING THIS CATALOG WITH YOU

An Invitation

TO OUR FRIENDS AND FELLOW BREEDERS—We are extending this catalogue as an invitation to our sale of Shorthorns. We are offering the 1943 crop of young bulls and heifers and several of our good breeding matrons. The help situation makes it necessary for us to reduce somewhat and for this reason only are we offering cows that we have had in the herd and all have been regular and good producers.

In the heifers are ones that we had planned to keep, but in making a sale we have drawn deep in the herd and we are only selling cattle that we know are right and will do well for our customers.

We have tried to use the best bulls of correct line of breeding we could obtain, and from breeding that has proven its worth to the breed.

Again we extend a cordial invitation to be our guests sale day.

C. E. PIERCE & SON.

ROYAL CADET, chief herd bull at Evergreen. We selected him at the state sale as a yearling because we thought he would make a good breeding bull and other good judges also thought the same.

He has proven himself and his get will speak for him. He is sired by the first son of the great Imp. Collynie Royal Barrage, a bull who has done more to advance the breed than any other bull in America. Look at his breeding and you will see that he is bred right.

M. F. SENATOR, the new herd bull at Evergreen. When we visited some thirty herds in eastern U. S. and Canada three years ago we found the offspring of Imp. Millhills Ransom stood out wherever we found them. Ever since then we have been on the lookout for a bull of the right type and conformation with a pedigree that was good and with Millhills Ransom blood as near the top as possible. When we found this calf at Merryvale we bought him and their heifers old enough will be bred to him in the sale. We hope you will like him. The men who have seen him since his arrival have all expressed a good opinion of him.

One of the hardest things to do is to go into the breeding herd and take out some of the good breeding cows to fill out our sale. Here has been one of our best cows and we are keeping her heifer because she is not in shape to offer. The only heifer we have held back. Look at the smoothness of this cow and her breeding. Bred to Gaffer's Count.
